By 4MA and 4NE.

YEAR 5

GENEROUS- kind, listening to each other, share, have fun let others play, use a polite voice and share ideas, if somebody is hurt, try and sort the problem out without hurting each other, greet people politely, if somebody is injured tell a teacher.

RESPECT-respect school, each other and everything, don't mistreat property, don't throw things around. Listen to each other, answer questions in your book and don't forget to look after others property, if an adult tells you to do something, do it straight away.

ASPIRING-if you don't do something to the level that you are meant to be working at, do better. Try and achieve targets, help each other when you're stuck and use everything in the classroom, be ambitious

NEAT-look smart, look your best, make your work and class tidy. Always tuck your shirt in, when you've finished some work check the presentation of what you have done.

DETERMIND- success comes from cans not can'ts! Try your best, keep going, do your home learning, have a go and take a risk.
