

## GRAND AVENUE PRIMARY AND NURSERY SCHOOL – POLICIES Review cycle from September 2014

Over the past 5 years all policy documents have been reviewed by Governors . A rigorous cycle of review was created required to ensure policies were up to date and in line with Dfes and LA guidelines.

At present all policies meet standard requirements.

The following is agreed

- To ensure annual reviews are undertaken
- To organise the policy review cycle so that all policies are reviewed once every 3 years **or** when the subject is part of the SDP.
- All policies are kept in a central system and copies are also available on our website
