

Independent Support Partnership (ISP)

ISP can work with families to help you and your child ensure that your voices are heard

- Have you applied for an Education, Health and Care Plan (EHCP) for your child?

- Does your child have a Statement that is transferring to an EHCP?

- Do you live in the boroughs of Richmond, Kingston or Hounslow?

ISP can

- Support you to understand the legal framework underpinning the changes in SEN
- Help you think through and identify what the changes mean for you
- Attend/support you at meetings with the Local Authority/school

**Independent Support
is a free, friendly,
flexible service for
families and young
people**
